

Video Calling Top Tips

5 tips to help you make video calls

- 1** Ask your friends and family what video calling apps they use so you can use the same ones.
- 2** Make sure your face is in the centre of the screen by moving the camera or device.
- 3** Check what is in the background before you join your video call.
- 4** Use headphones to make your video call more private.
- 5** Be respectful of others in video calls.
