## For Digital Mentors

This part of the questionnaire will help a Digital Mentor to see the current digital skill level of a learner. The questions are based upon the session plans available on the **Be Connected** website and will help you to recommend which sessions are appropriate for the learner.

### 1. Which device(s) are you interested in learning more about?

If learners tick the following options:

- ✓ **Computer:** recommended session *Using a computer*.
- ✓ **Tablet:** recommended session *Using a touchscreen*.
- ✓ **Smartphone:** recommended session *Using a touchscreen*.
- ✓ **I'm not sure:** recommended action: Recommend both of the sessions above, as this may give the learner more of an idea about the different devices available.

### 2. Which of the following do you feel confident using?

If learners do not tick an option:

- Keyboard:** recommended session: *Using a keyboard*.
- Touchscreen:** recommended session: *Using a touchscreen*.
- Mouse:** recommended session: *Using a mouse*.

### 3. Have you used the internet before?

- ✓ **No:** recommended session *Using the internet*.
- ✓ **Yes:** recommended action - Depending on what the learner has used the internet for before, they may benefit from the *Using the internet* session to increase their confidence in certain areas.

### 4. Do you have an email address? (which you have access to)

- ✓ **Yes:** recommended action - Explain that the *Using email* session covers things like attaching files to emails and understanding how to spot spam or scam emails.
- ✓ **No or Yes but I'm not sure how to use it:** recommended session *Using email*.

### 5. Have you ever completed a form online?

- ✓ **Yes:** move onto next question.
- ✓ **No or Not Sure:** recommended session *Using online form*.

### 6. Do you feel confident using a computer to create documents?

- ✓ **Yes:** move onto next question.
- ✓ **No:** recommended session *Creating documents*.

### 7. Have you ever used a search engine to find the information you need online?

- ✓ **Yes:** move onto next question.
- ✓ **No:** recommended session *Using search engines*.

### 8. Do you want to learn more about how to stay safe online?

- ✓ **Yes and Not Sure:** recommended session *Introduction to internet safety*.
- ✓ **No:** recommended action - Learning how to stay safe online is important for everyone. You could provide learners who don't attend with the resources from the *Introduction to internet safety* session.
